Managing Director

## Mechanical Projects

With qualified, experienced and skilled manpower, of Project Managers, Engineers, Quality Inspectors, Safety Coordinators, Supervisors, Mechanical Fitters, Pipe Fabricators, Structural Fabricators, Welders (GTAW/ FCAW/ SMAW), Piping Charge-hand, Gas-cutters, Grinders, Riggers etc., LANSEA could successfully complete the following jobs pertaining to Pipe Fabrication & Installation, Structural Fabrication & Erection and Electrical Installation. 300 MT Erection + Alignment & Commissioning of central plant equipment at Electro steel Ltd Bokaro – ESL.

- 600 MT KILN in Cement plant –Akaltara, Madhya Pradesh India.
- Equipment erection and alignment in various ships at Drydocks World Dubai & Oman Dry Docks- Oman
- 10000 MT Erection, alignment and commissioning work at SMS area- VSP.

## Heavy Steel Structural Fabrication & Erection Projects:

LANSEA has successfully completed heavy structural works like Assembling, Fabrication, Erection and commissioning, & Renewal of Mega tons capacities of structural works in different locations globally and were recognized for our top precision quality of work and commitment towards our clients.

- Fabrication & Assembling of 800 MT capacity barge in a record time of 4 months under ADYARD Company, Abu Dhabi, UAE.
- Structural steel fabrication of ladders, girders, platforms etc., under Kwick Steel, Jebal Ali Work site; and Structural fabrication and pipe fabrication works for Perfect International FZE, Sharjah with complete quality standards.
- Steel fabrication and Repair works completed at Dry Docks world Dubai, conversion projects are PRIDE VENENZULA, SAF MARINE, YANASENI, AMIRA, MSC IMMA, STOLT SPAN.
- Steel fabrication and Renewal work of KELLIE CHOUEST, ATAKA, ANNAPURNA, LA MER, BLUE FIN 5 at Dry Docks World – Dubai.

- Complete Steel renewal job of SKARPOV, at Dry Docks World – Dubai.
- 2500 MT steel & 100 MT equipment erection & Commission of pig casting m/c Plant at Binny Ltd – Vizag,
- 5000 MT of heavy steel structural of turbine building in MPEB Power Project, Korba under united Steel Allied industries;
- 3500 MT of Structural Fabrication of Coke Ovens at Visakhapatnam Steel Plant under National Project Construction Corporation (NPCC Ltd);
- 3000 MT of Fabrication & Erection of steel structural for Heavy Water Treatment Plant at THAL Project, Mumbai under Richardson & Cruddas, Mumbai Division,
- 6000 MT steel erection & commissioning of cairral plant at Electro steel Ltd Bokaro – ESL.
- 8500 MT steel erection & commissioning at steel melting shop, Electro steel Ltd Bokaro,
- 10000 MT heavy Structural Steel fabrication & erection works In Visakhapatnam Steel Plant – India.

## Pipe Fabrication & Erection Projects

Our large, specialized technical team like Team Managers, Engineers, Foreman, QC Engineers, Safety Officers, Pipe fitters, Fabricators, welders, Riggers with modern equipment's which includes Pipe Mechanical/Electronic Welding System, allows us to execute every type of job, flexibly and quickly.

- 2,00,000 Inch meters Pipe installation job completed in AL AWEER GAS TURBINE POWER PROJECT of DEWA under Gulf Spic Engineering LLC., Dubai , UAE.
- Pipe fabrication and installation works completed at Drydocks World, Dubai. Conversion projects are AQUILA, TI ASIA, TI AFRICA, LIVIRNO, RITA, FPSO FRADE, DEEPPRODUCER.
- Pipe Fabrication & Installation, Steel Renovation at Dry Docks since 12 Years.
- Renewal of piping systems of ALEXANDRA 1, TAIYOH, at Dry Docks World – Dubai.

- Complete Pipe renewal job of SKARPOV, at Dry Docks World – Dubai.
- 1500 MT Pipeline and Structural Erection under Richardson and Cruddas Madras division in Visakhapatnam Steel Plant.
- 2000 MT of Fabrication & Erection of Pipe line and hopper pipe line for Thermal Power Plant of Visakhapatnam Steel Plant under KJ Chacko Engineering Company;
- 1200 MT Pipe Line, 1.2 Meter dia to 3 meter dia SMS to BF line at Electro steel Ltd Bokaro.
- 1 Lakh inch meter gas pipeline Fabrication & Erection at Electro steel Ltd Bokaro – ESL.

## Electrical Projects

LANSEA has successfully completed the Electrical Works like Cable Pulling, Dressing, Glanding, Termination, Installation of Cable Trays, Electrical Panel Installation, Electrical equipment erection and commissioning of entire Electrical works on below mentioned conversion vessels with qualified, experienced and skilled manpower, consisting of Electrical manager, Electrical Engineer, Electrical supervisor, Electrical foreman, charge-hands and Industrial Electricians.

**We have successfully completed 300+ projects,  
and some of them are as below:**

**FRADE**

**AQUILA**

**KNOCK ALION**

**FSRU LIVORNO**

**DEEP PRODUCER**

**RIG DIYINA**

**TI AFRICA**

**DIYINA**

**TI ASIA**

## Tank Fabrication & Erection Projects

- 4500 MT of Pre-heater & Kiln Erection at CCI at Akaltara in Madhya Pradesh;
- 2000 MT triple chimney fabrication & Erection at Electro Steel Ltd, Bokaro – ESL.

## Skilled Manpower Recruitment & Supply

We can provide you with manpower solutions for your projects, on both short-term and long-term.

Our experienced consultants does a detailed assessment of your staffing needs and provide customized manpower solutions. Our network of channel partners and support from our parent company "Kannan Enterprises", specialized in recruitment from source countries ensure that we always get you the best resources.

Especially Catering to all the industries like **Civil, Oil & Gas, Engineering, MEP, Aviation, Manufacturing, Retail, Hospitality, Energy etc.**, with quality and skilled manpower available in UAE for manpower supply. A total of 750 personnel available comprises of **Pipe fitters/Fabricators, Structural Fitters/Fabricators, Industrial Electricians, Cable Pullers, Welders 6G/6GR (FCAW/SMAW), Riggers, QA/QC, Foremen, Supervisors, Engineers etc.**
